Dear Ms. Leiken:

On July 22, 2009, a letter was sent to you requesting documentation relating to an investigation being conducted by this office regarding the Friends of Sid Leiken committee (12786). On August 25, 2009, a response was received to that request.

After reviewing your response, we have determined that the information provided does not substantiate that the poll was conducted. Please provide the following information no later than October 2, 2009:

1. When was the poll created/drafted?
2. Did you draft the poll? If not, who did? Please provide all working documents related to the drafting of the poll.
3. How was it determined who to poll? Who made the decision? Please provide the worksheets/phone records for these phone calls
4. Did you employ anyone to assist you? If so, please provide the contact information for these individuals.

Please provide any and all other working documents or records related to conducting this poll.

If you have any questions, please contact me at the number listed above.

Sincerely,

Kathy Schamp
